Re: Northwest Civic Association approval of 2016 Northwest Area Plan

Dear Jackie,

On behalf of the Northwest Civic Association board of directors, I first want to thank everyone in the Department of Development, and especially you, Chris, and Mark, for all the time and effort invested in this project.

Speaking personally, I appreciate the number of times you opened up the process for community input, the work that it took to do so, and your good spirits throughout!

At our August 3 meeting, the board of trustees voted unanimously in support of the 2016 Northwest Area Plan, and we urge Columbus City Council to adopt it soon so that we can begin to use it in our deliberations.

Sincerely,
